Let us see your favourite photographs taken in Croatia. The best photographs will then be included in *photographingCroatia*, an exhibition to be held at the Croatian Embassy in London in November.

photographingCroatia is open to all, professionals and amateurs of any nationality. Photographs can be in colour or black and white, taken in any part of Croatia, of people, places or can be abstract

Each photographer may submit up to 4 photographs. Submissions should be as high resolution as possible, in jpeg format (300 dpi is desirable). Please email your photographs no later than 30 September, 2015 to **photographingcroatia@yahoo.co.uk**.

A panel will select photographs for the exhibition. All entrants will be invited to the launch of the exhibition at the Croatian Embassy.
