I cordially invite you to observe the forthcoming depiction of my extraordinary life in

THE PLAY THAT IS OSCAR WILDE

This exotic play written by R G Clark faithfully depicts my tempestuous life. At all times I am an actor on a stage. It is performed by a young talented versatile cast at The Cockpit, Gateforth Street London NW8 8EH at 9 p.m. on 15th, 16th, 17th August. I earnestly wish to perform for you once more.

*Sincerely, Oscar Wilde*
