

Non-Extending Low Profile Jibs

- Specifically designed to convert a forklift truck into a mobile crane. Allowing increased flexibility to reach and transport long and awkward loads where height restrictions may apply.
- Multi hook positioning from 500-1750mm load centres
- Centre of Gravity: 750mm
- Four way entry pocket for ease of storage
- Maximum fork section 150 x 50mm @ 281mm centres
- Zinc plated fork heels pins for safe forklift attachment
- Supplied complete with safety swivel hook and bow shackle
- Painted bright orange for safety
